“[Stewardship is] our personal response to God's generosity in the way we share our resources of time, talent, and money. Stewardship reflects our commitment to making God's love known through the realities of human life and our use of all that God has given us. It is also our service to God's world and our care of creation. Parish members are encouraged to make an annual stewardship pledge. This pledge represents their specific Christian commitment to ‘work, pray, and give for the spread of the kingdom of God.’” (BCP, p. 856):“

### CREATIVE ISOLATION:

Connie Windham is enjoying the beautiful weather, walking about three miles a day, taking pictures of the colorful foliage. She and son Matt had Thanksgiving together. She often catches up with friends via zoom.

Barb and Mel Keiffer had daughter Kristi with them for Thanksgiving. Kristi did the cooking,...a turkey with all the trimmings. They enjoyed a quiet family day, dining with beautiful Lake Auman in view.

Kim and Valerie Doolittle were blessed with a visit from children, Emma and Ian and their spouses. They shared the cooking chores and enjoyed their porch and the lake view on such a beautiful day.

Bette's daughter, Bonnie, joined her for Thanksgiving dinner, dining in Bette's room per current restrictions.

Peggy Loomis plays pickleball three times a week, and Steve plays golf regularly. Recently they traveled to Alabama for granddaughter Winter's first birthday.

Bette Hanham's grandson, Holden, helps prepare mac and cheese for Thanksgiving dinner. He will be eight on November 30. Happy Birthday, Holden.

### ST. MM PREPARES FOR VIRTUAL WORSHIP IN THE MONTHS AHEAD

The Vestry approved a budget of \$2000 for the purchase of equipment designed for virtual worship services. Kim Doolittle has purchased this equipment which includes a tripod, a camera, wireless microphones and software. It is available for preparation of the Christmas Eve Service.

Kim also has applied for a diocesan grant for the purchase of the equipment. If the grant proposal is approved, the church will be reimbursed by the diocese for this purchase.

### Vestry votes to donate \$500 to Karimu Project

The following is a thank you letter from Jessie Mackay:

Tally told me that SMM has donated \$500 to Karimu. Thank you so much for SMM's faithful care for Karimu and its work for the women in Tanzania.

In this time of stress and dire need for so many of our country men and women, I am touched that this little church has been so faithful to our work.

I pray all the members of SMM have a safe and good Thanksgiving and look forward to the time when we all can gather together in worship.

With thanks,

Jessie

### *Everywhere, Everywhere Christmas tonight*

Phillip Brooks

*Everywhere, everywhere, Christmas to-night!  
Christmas in lands of the fir tree and pine,  
Christmas in lands of the palm tree and vine;  
Christmas where snow-peaks stand solemn and  
white,  
Christmas where corn-fields lie sunny and bright;  
Everywhere, everywhere, Christmas to-night.*

*Christmas where children are hopeful and gay,  
Christmas where old men are patient and gray,  
Christmas where peace, like a dove in his flight,  
Broods o're brave men in the thick of the fight;  
Everywhere, everywhere, Christmas tonight!  
For the Christ-child who comes is the Master of  
all;  
No palace too great, no cottage too small.*

This poem was written in 1903 by Phillip Brooks, an Episcopal Clergyman. (the same man who wrote *O, Little Town of Bethlehem*)

As a sixth grader I had to memorize the poem and I well remember standing in front of the class reciting it, trembling with fright. Due to the last two lines of

the poem, I am sure no public school teacher could assign it these days, or even read it in class.

I am stirred as I consider that around the world, ... *everywhere, everywhere,....* people will pause to rejoice at the birth of our Savior Jesus Christ.

I pray for peace,...peace in our hearts and Peace on Earth. Merry Christmas **Phyllis**

### ANGELS, EXPLAINED BY CHILDREN:

Angels talk all the way while they're flying you up to heaven. The main subject is where you went wrong before you got dead. Daniel, age 9

Angels live in cloud houses made by God and his son, who's a very good carpenter. Jared, age 8

Some of the angels are in charge of helping heal sick animals and pets. And if they don't make the animals get better, they help the child get over it. Vicki, age 8
