

JUNE 2021 NEWSLETTER CORRECTION AND ADDENDUM

Regarding the builders of Deacon Tally's deck, we regret Steve Loomis' name was inadvertently omitted. Steve is a faithful worker who always shows up when the call comes out.

Bob, and a view from Tally's deck

Jim and David work; Jessie and Tally observe.

David and Fr. Stephen work from an outdoor work-station

Note from Jessie Mackay:

I would like to add that Tally now spends all her time on her deck! She says it is the best room of the house, and Sprig roams around the backyard checking on smells and critters. He is still vague about the dog flap the guys installed, but does know how to use it. What a wonderful gift SMM has given to Tally. **JESSIE**
