

Creative Vision, Creative Voice Workshop

Deepen Relationship to Mary Magdalene & Create Your Own Prayer Card

July 25th, 10am - Noon

St. Mary Magdalene Episcopal Church, Seven Lakes

A program of the "Month of Mary Magdalene" parish celebration

"Hold the Healing" by Ally Markotich

You're invited to a special time of soul-filled creation with local artist and poet, Ally Markotich to deepen your relationship to Mary Magdalene through creative practice.

During this time, Ally will guide you to reconsider the stories you've been told about Magdalene and invite fresh revelation to stir your heart as you draw, journal and color a rectified version of her tale. Be inspired by Magdalene as one who encourages you to have voice and vision. Ally will gently guide you to free your hands and heart and playfully create a prayer card with a colorful visual on the front and a written prayer on the back.

This workshop is open to all who resonate with the theme.

*No art experience is necessary to be part of our time. Materials will be provided.
