Seven Lakes
Blue Christmas Service

Sunday December 20, 2026
2:00 PM

A service open to all who, for a variety of reasons, are finding the holidays difficult.

This service honors wherever we find ourselves and will offer healing through music, prayers and poetry. You are welcome to just come and sit. Doesn't matter what faith tradition, including none, you come from or whatever journey you are on. This is comfort for you.
